**READINESS TO LEARN FROM HOME
PARENT/CARER INFORMATION LEAFLET – HELPFUL HINTS**

Your child could be learning from home for the following reasons:

- They are self-isolating
- The school has closed for a period of time to allow the spread of coronavirus to be suppressed.

Please remember if your child is self-isolating, the class teacher will be in school teaching the rest of the class so responses over Google Classroom to your child / email to parent will not be immediate.

Within Lamington Primary School, daily learning tasks will be set by your child's class teacher via Google Classroom.

Your child has been shown how to access this within their class and has been using this platform daily since their return in August. They have been shown where to find their daily tasks, how to communicate with their teacher and how to upload their work. If your child has any difficulty accessing this at home, please see the important information details below.

To access your child's Google Classroom they should go to <https://sts.platform.rmunify.com/Account/SignIn/glow>.

Alternatively, children can google 'glow login' and access this way.

Where possible your child is asked to be online by 9.30am to check in for the day.

On each school day, a number of tasks will be issued for your child to complete. These will include a Literacy task, Numeracy task and a learning task from at least one other curricular area.

If Learning from Home continues for a prolonged period of time, some extended tasks may be shared, and your child will be given a number of days to complete them. If this is the case, specific instructions will be shared by your child's class teacher.

Your child's class teacher will be available to answer questions during the school day via email/via their Google Classroom using the following address:

gw19baskervilleanita1@glow.sch.uk

gw07venerusjane@glow.sch.uk

Please remember the '1' as there are some other addresses in the directory which are very similar. This is the only address which works.

Responses may not be instant, but they will endeavour to respond as quickly as possible.

If class teachers are unable to post daily lessons due to illness then learning grids will be posted for the week by Mrs Kennedy.

If you have any additional questions or queries, please do not hesitate to contact the School Office on gw14lamingtonoffice@glow.sch.uk where we will be happy to help.

Please see your child's **laminated card** which details up to date login details for GLOW and all other online learning sites.
